

OK Texans Uniform Purchasing Policy

Every two years, all competitive teams ages U11-U18 will be required to purchase a new uniform kit, unless a new Nike style has not yet been introduced, in which case a new kit will be required upon the introduction of a new style by Nike. Purchased uniforms must be worn for the following two years in both league and tournament play for each team's respective Soccer Association or USSF Academy season.

Policy Exclusions:

Teams entering the U18 age group in a uniform-purchasing year will NOT be required to purchase the new kit and will be allowed to finish their senior year in their previous year's kit. These teams may purchase a new kit at their own discretion.

For the 2010-2011 seasonal year, with the introduction of Nike as our new club sponsor, the U18 players only be required to purchase a specially selected Nike package designed for this group.

Uniform Numbering:

All OK Texans team uniforms must display numbers on the jerseys. The Texans numbering system allows for goalkeepers to wear the numbers 00, 0, and 1, and for field players to wear the numbers 2-22.

The Soccer Corner:

The Soccer Corner is the exclusive apparel supplier of the OK Texans and their affiliates. Please visit their website by clicking the Texans Spirit tab at the top. They can also be reached at (972) 519-0222 or (800) 343-8450.
